

— EXHIBITOR & SPONSORSHIP PROSPECTUS

Advancing Regenerative Medicine, *designed for Physicians.*

An intimate, single track CME event connecting cash based physicians with the latest advances in regenerative medicine. Set on Florida's waterfront, the conference is built to maximize exhibitor engagement through exhibit hall breaks, a seamless connection between lecture and exhibit spaces, and opportunities to connect with physicians and decision makers throughout the event.

DATES

February 4–6, 2027
